WE HELP BOOST HUMAN PERFORMANCE

Backed by modern extraction technology and lab-tested for purity & safety, AKARALI is trusted by athletes, runners, and active professionals worldwide. We focus on:

1. Hormonal balance & healthy testosterone support
2. Boost energy, strength & stamina
3. Optimizing recovery, stress resilience & mental focus

HANDPICKED. ORGANIC. NATURAL

AKARALI supplements are made from handpicked Tongkat Ali plants that are harvested in the wild rainforests of Malaysia. Our single-origin approach of harvesting mature roots is key to a higher potency and bioavailability.

- Single-origin
- 100% Natural
- Clinically Tested
- 3rd Party Lab Tested
- GMP-certified
- Made In USFDA-inspected facility
- MIT-formulated standardized hot water extract
- 3rd party lab tested by EUROFINS

AKARALI

PERFORMANCE TESTED BY ATHLETES

AKARALI products undergone more than 1,000 hours of performance tests in various real-life conditions - elevation, humidity and temperature. Our real-world performance tests by real athletes ensures optimal health protocols that suit your needs. Our products are tested by:

- Marathon Runners
- Bodybuilders
- Powerlifters
- Crossfitters
- Martial Art / MMA Fighters
- Health coaches

USED IN COMPETITIONS

Our products are used in international sports competitions, widely regarded as safe due to our stringent lab-tests to ensure it is free from illegal and banned substances. AKARALI supplements are 3rd party lab tested by EUROFINS and free from contaminants.

- Bodybuilding Competitions
- Powerlifting Competitions
- Ultra-marathon Races
- Crossfit Events
